

Packing List

First of all, the atmosphere aboard is casual. There is no expectation of any formal dress whatsoever; after all, it is an expedition. Some passengers choose to remain in their daytime attire in the evenings, while others prefer a casual change of clothing. However, for the farewell dinner, you may want to have something slightly dressier, a blouse and skirt or a simple dress for women and a sports jacket for men, although this is entirely optional.

Below is a packing list developed by one of our expedition leaders. If you have any questions, please give us a call.
