

Packing List – Baja California

First of all, the atmosphere aboard is casual. There is no expectation of any formal dress whatsoever; after all, it is an expedition.

On our expedition, there will be whale watching outings using our Zodiac landing craft in the lagoons and opportunities to swim, snorkel and kayak in the Sea of Cortez. Wind and the desert sun can be harmful to your skin without proper protection. A key element to your comfort and enjoyment is sufficient protection, both in clothing and in topicals. Be sure to pack a sufficient supply of both. Below is a packing list developed by one of our Expedition Leaders. If you have any questions, please give us a call.
